FULL TEXT OF BALLOT TITLES GENERAL ELECTION • NOVEMBER 5, 2002

ONLY THE CAPTION AND QUESTION WILL APPEAR ON YOUR OFFICIAL BALLOT

REFERRED TO THE PEOPLE BY THE LEGISLATIVE ASSEMBLY

14 AMENDS CONSTITUTION: REMOVES HISTORICAL RACIAL REFERENCES IN OBSOLETE SECTIONS OF OREGON CONSTITUTION, ARTICLE VII (ORIGINAL), ARTICLE XVIII

RESULT OF "YES" VOTE: "Yes" vote removes historical racial references in obsolete Sections 2, 10, 14 of Article VII (Original), Sections 2, 4, 5, of Article XVIII, Oregon Constitution.

RESULT OF "NO" VOTE: "No" vote retains historical racial references in obsolete Sections 2, 10, 14, of Article VII (Original), Sections 2, 4, 5, of Article XVIII, Oregon Constitution.

SUMMARY: Legislative referral. Amends constitution. Currently, Oregon Constitution, Article VII (Original) (rendered obsolete by Article VII (Amended) and statutes enacted by Legislative Assembly) provides historical threshold for expanding number of Supreme Court Justices on basis of "white" population. Measure removes references in sections 2, 10, 14, to "white" inhabitants and "white population." Currently, Article XVIII, Section 2 lists questions for 1857 election regarding ratification of Oregon Constitution; Section 4 lists proposed text for 1857 election to adopt provision in Bill of Rights excluding "negroes" and "mulattoes" (adopted in 1857 election; repealed in 1925); Section 5 provides for initial legislative apportionment based on county. Measure removes references in Sections 2 and 4 to "negroes" and "mulattoes"; removes Section 5 reference to "white" inhabitants. Corrects misspelled words.

ESTIMATE OF FINANCIAL IMPACT: There is no financial effect on state or local government expenditures or revenues.

15 AMENDS CONSTITUTION: AUTHORIZES STATE TO ISSUE GENERAL OBLIGATION BONDS FOR SEISMIC REHABILITATION OF PUBLIC EDUCATION BUILDINGS (DEFINED)

RESULT OF "YES" VOTE: "Yes" vote would allow state to issue general obligation bonds for seismic rehabilitation of public education buildings (defined); prescribes sources for repayment; authorizes implementing legislation.

RESULT OF "NO" VOTE: "No" vote would reject authorization for state to issue general obligation bonds for seismic rehabilitation of public education buildings.

SUMMARY: Amends Constitution. Currently, the state constitution forbids the legislature from loaning the state's credit in excess of \$50,000, with some exceptions. Measure would allow the state to issue general obligation bonds to assess need for seismic rehabilitation and to conduct seismic rehabilitation of public education buildings. "Public education buildings" defined as buildings owned by State Board of Higher Education, school district, education service district, community college district, or community college service district. Limits amount of indebtedness to one-fifth of one percent of the real market value of all property in the state. Specifies sources of repayment: General Fund, lottery funds, tobacco settlement funds, and amounts appropriated from other sources, but not including ad valorem property taxes. Authorizes implementing legislation. Other provisions.

ESTIMATE OF FINANCIAL IMPACT: There is no financial effect on state or local government expenditures or revenues.

16 AMENDS CONSTITUTION: AUTHORIZES STATE TO ISSUE GENERAL OBLIGATION BONDS FOR SEISMIC REHABILITATION OF EMERGENCY SERVICES BUILDINGS (DEFINED)

RESULT OF "YES" VOTE: "Yes" vote authorizes state to issue general obligation bonds to finance seismic rehabilitation of emergency services buildings (defined); prescribes sources for repayment; authorizes implementing legislation.

RESULT OF "NO" VOTE: "No" vote rejects authorization for state to issue general obligation bonds to finance seismic rehabilitation of specified emergency services buildings.

SUMMARY: Amends Constitution. Currently, the state constitution forbids the legislature from loaning the state's credit in excess of \$50,000, with some exceptions. Measure would allow the state to issue general obligation bonds to assess the need for and to conduct seismic rehabilitation of emergency services buildings. "Emergency services buildings" defined as public buildings used for fire protection services; hospital buildings containing acute inpatient care facilities; police stations; sheriff's offices; and similar facilities used by state or local law enforcement agencies. Limits amount of indebtedness to one-fifth of one percent of the real market value of all property in the state. Specifies sources of repayment: General Fund, lottery funds, tobacco settlement funds, other appropriations, but not including ad valorem property taxes. Other provisions.

ESTIMATE OF FINANCIAL IMPACT: There is no financial effect on state or local government expenditures or revenues.

17 AMENDS CONSTITUTION: REDUCES MINIMUM AGE REQUIREMENT TO SERVE AS STATE LEGISLATOR FROM 21 YEARS TO 18 YEARS

RESULT OF "YES" VOTE: "Yes" vote reduces minimum age requirement from 21 years to 18 years of age to serve as a senator or representative in the Oregon legislature.

RESULT OF "NO" VOTE: "No" vote retains minimum age requirement of 21 years of age for an individual to serve as a senator or representative in the Oregon legislature.

SUMMARY: Legislative referral. Amends constitution. Currently, the Oregon Constitution requires that, to qualify for office, senators and representatives in the Oregon legislature must be at least 21 years of age. Measure reduces to 18 years the minimum age requirement for individuals to hold office in the Senate or the House of Representatives in the Oregon legislature. Measure changes the language of Article IV, Section 8(2) of the Oregon Constitution to the following: "Senators and Representatives shall be at least 18 years of age."

ESTIMATE OF FINANCIAL IMPACT: There is no financial effect on state or local government expenditures or revenues.

18 AMENDS CONSTITUTION: ALLOWS CERTAIN TAX DISTRICTS TO ESTABLISH PERMANENT PROPERTY TAX RATES AND DIVIDE INTO TAX ZONES

RESULT OF "YES" VOTE: "Yes" vote allows certain taxing districts to establish permanent tax rate limits and to divide into tax zones, if a double majority of voters approves.

RESULT OF "NO" VOTE: "No" vote retains limitation on taxing districts that may impose new property taxes and permanent rate limits, rejects option to approve tax zones and rates.

SUMMARY: Amends Constitution. Current law permits a local taxing district that has not previously imposed ad valorem property taxes and that seeks to impose such taxes to establish a permanent rate limit on property taxes, if a majority of the voters who vote on the question approve and, in other than a general election, a majority of the eligible registered voters vote. Measure amends law to permit local tax districts that have not imposed property taxes for any tax year beginning on or after July 1, 1990, to do so. Permits those districts to divide into up to 20 tax zones, each with a permanent rate limit if, using the same voting method, a majority in each zone approves the tax zone and its rate limit.

ESTIMATE OF FINANCIAL IMPACT: There is no financial effect on state or local government expenditures or revenues.

PROPOSED BY INITIATIVE PETITION

21 AMENDS CONSTITUTION: REVISES PROCEDURE FOR FILLING JUDICIAL VACANCIES, ELECTING JUDGES; ALLOWS VOTE FOR "NONE OF THE ABOVE"

RESULT OF "YES" VOTE: "Yes" vote revises manner of filling judicial vacancies; modifies ballots and election procedure in judicial elections; adds "None of the Above" as official judicial candidate.

RESULT OF "NO" VOTE: "No" vote retains the current manner of filling judicial vacancies and current election procedure where the judicial candidate receiving a plurality of votes is elected.

SUMMARY: Amends constitution. Currently, the governor fills midterm judicial vacancies by appointment; appointees serve until the vacancy is filled at the next general election held more than 61 days after the vacancy occurs. Measure requires midterm judicial vacancies to be filled by election at the closest May or November election held more than 90 days after the vacancy occurs. In all judicial elections, measure requires election ballot to list candidates and also list "None of the Above" as an available choice. If "None of the Above" receives more votes than all other candidates on the ballot, the judicial office remains unfilled until a candidate other than "None of the Above" receives a plurality of votes cast at subsequent May and/or November special elections. Other provisions.

ESTIMATE OF FINANCIAL IMPACT: No financial effect on state or local government expenditures or revenues.

STATE MEASURES 14 THRU 18 AND 21 THRU 27 APPEAR
ON THIS FLYER AND ON YOUR OFFICIAL BALLOT

22 AMENDS CONSTITUTION: REQUIRES OREGON SUPREME COURT JUDGES AND COURT OF APPEALS JUDGES TO BE ELECTED BY DISTRICT

RESULT OF "YES" VOTE: "Yes" vote creates judicial districts based on population and requires Oregon Supreme Court judges and Court of Appeals judges to be elected from those districts.

RESULT OF "NO" VOTE: "No" vote retains the current system for electing Oregon Supreme Court judges and Court of Appeals judges by statewide vote with no district residency requirement.

SUMMARY: Amends constitution. Currently, all Oregon Supreme Court judges and Court of Appeals judges are elected by statewide vote. Judges must live within state but have no other residency requirements. Measure divides state into seven districts, based on population, for purpose of electing Supreme Court judges; electors within each district elect only one Supreme Court judge. Measure divides state into five districts for election of judges of other appellate courts created by law (except Tax Court), with two judges elected from each district. Requires Supreme Court and Court of Appeals judges elected or appointed to office to reside within their districts. Requires reapportionment of judicial districts when legislative districts are reapportioned. Revises procedure and requirements for appointments to judicial vacancies and recall of judges. Other provisions.

ESTIMATE OF FINANCIAL IMPACT: No financial effect on state government expenditures or revenues. Indeterminate financial effect on local government expenditures.

No financial effect on local government revenues.

23 CREATES HEALTH CARE FINANCE PLAN FOR MEDICALLY NECESSARY SERVICES; CREATES ADDITIONAL INCOME, PAYROLL TAXES

RESULT OF "YES" VOTE: "Yes" vote creates health care finance plan for medically necessary services, regardless of preexisting conditions; changes current workers' compensation system; creates additional income, payroll taxes.

RESULT OF "NO" VOTE: "No" vote rejects creation of a health care finance plan; leaves current health insurance, workers' compensation systems unchanged; rejects creation of additional income, payroll taxes.

SUMMARY: Creates Oregon Comprehensive Health Care Finance Plan to pay for medically necessary health services, regardless of preexisting conditions, from health care practitioner of participant's choice. Includes some services for injured workers. All residents eligible. Creates board to establish compensation schedules for services. Requires board, legislature to ensure that government payments for participants' health services go to plan's finance fund. Board to recover costs of provided services if covered by health benefits, insurance. Requires certain contributions by workers' compensation insurers, self-insureds. Plan also funded by: additional progressive income tax not to exceed 3.9% of total statewide personal income, 8% of individual's taxable income; additional employer payroll tax with maximum, minimum rates. Rates otherwise set by board. Authorizes certain tax credits, exemptions. Other provisions.

ESTIMATE OF FINANCIAL IMPACT: The measure would require state expenditures of not less than \$1.7 billion per year on a recurring basis. State tax revenues would increase by not less than \$1.7 billion per year. The financial effect on local government expenditures cannot be determined. There is no financial effect on local government revenues.

24 ALLOWS LICENSED DENTURISTS TO INSTALL PARTIAL DENTURES (REPLACEMENT TEETH); AUTHORIZES COOPERATIVE DENTIST-DENTURIST BUSINESS VENTURES

RESULT OF "YES" VOTE: "Yes" vote changes current law to allow licensed denturists to install partial dentures to replace missing teeth; authorizes denturists' joining cooperative business ventures with dentists.

RESULT OF "NO" VOTE: "No" vote retains current law allowing denturists to install full dentures, prohibiting partial dentures (removable replacement teeth), allowing restrictions on dentist-denturist cooperative business ventures.

SUMMARY: Current law allows both dentists and licensed denturists to install removable full upper or lower prosthetic dental appliances (dentures) in the human mouth. Current law prohibits licensed denturists from installing partial upper or lower dentures or removable replacement teeth. Current law allows only dentists to install partial upper or lower dentures that replace individual teeth with permanent or removable dental appliances. Current law allows restrictions on cooperative business or professional ventures between dentists and denturists. This measure would change current law (1) by allowing licensed denturists to install removable upper or lower partial dentures to replace missing natural teeth and (2) by authorizing dentists and licensed denturists to cooperate and maintain mutually agreeable business and professional associations, with each responsible for own area of expertise.

ESTIMATE OF FINANCIAL IMPACT: No financial effect on state or local government expenditures or revenues.

25 INCREASES OREGON MINIMUM WAGE TO \$6.90 IN 2003; INCREASES FOR INFLATION IN FUTURE YEARS

RESULT OF "YES" VOTE: "Yes" vote increases the Oregon minimum wage to \$6.90 in 2003; requires annual increases for inflation in future years, based on consumer price index.

RESULT OF "NO" VOTE: "No" vote rejects increasing Oregon minimum wage to \$6.90 in 2003, requiring annual increases for inflation in future years based on consumer price index.

SUMMARY: Oregon's minimum wage is set by statute at \$6.50 per hour. That minimum wage has applied since January 1999; current law does not adjust the minimum wage for inflation. This measure increases Oregon's minimum wage to \$6.90 for calendar year 2003 and requires that minimum wage be increased for inflation in each subsequent year. Requires the Commissioner of the Bureau of Labor and Industries to calculate the adjustment for inflation each September, based on any increase in the U.S. City Average Consumer Price Index for All Urban Consumers for All Items that occurred during previous twelve months. Provides that recalculated minimum wage is rounded to nearest five cents and new minimum wage becomes effective January 1 of the following year. Other provisions.

ESTIMATE OF FINANCIAL IMPACT: The measure would require state expenditures of \$1.19 million in 2003, \$1.22 million in 2004, and \$1.26 million in 2005. The measure would result in an increase in state revenues of \$847,000 in 2003, \$872,000 in 2004, and \$898,000 in 2005. For years after 2005 the impact on state expenditures and revenues is expected to increase at the rate of inflation.

The measure would require local government expenditures of at least \$350,000 in 2003, \$360,500 in 2004, and \$371,315 in 2005. There will be no impact on local government revenues.

26 AMENDS CONSTITUTION: PROHIBITS PAYMENT, RECEIPT OF PAYMENT BASED ON THE NUMBER OF INITIATIVE, REFERENDUM PETITION SIGNATURES OBTAINED

RESULT OF "YES" VOTE: "Yes" vote makes it unlawful to pay, receive payment based on number of signatures obtained on initiative, referendum petitions; does not prohibit other payment methods.

RESULT OF "NO" VOTE: "No" vote retains current law not prohibiting paying, receiving payment based on the number of signatures obtained on initiative, referendum petitions, or other payment methods.

SUMMARY: Amends constitution. Current law does not prohibit paying or receiving payment based on the number of signatures obtained on an initiative or referendum petition, or other methods of paying petition circulators. Under current law, if anyone is to be paid for obtaining signatures, each signature sheet must contain a notice stating that some petition circulators are being paid. The measure makes it unlawful to pay or to receive money or other thing of value based on the number of signatures obtained on an initiative or referendum petition. The measure does not prohibit payment for signature gathering that is not based, directly or indirectly, on the number of signatures obtained.

ESTIMATE OF FINANCIAL IMPACT: No financial effect on state or local government expenditures or revenues.

27 REQUIRES LABELING OF GENETICALLY-ENGINEERED FOODS (AS DEFINED) SOLD OR DISTRIBUTED IN OR FROM OREGON

RESULT OF "YES" VOTE: "Yes" vote requires labeling of foods derived from or processed using genetically-engineered (as defined) materials with label prepared by the Oregon Department of Agriculture.

RESULT OF "NO" VOTE: "No" vote rejects requiring labeling of foods derived from or processed using genetically-engineered (as defined) materials with label prepared by Oregon Department of Agriculture.

SUMMARY: Requires label stating "Genetically Engineered" on surface or outside packaging of genetically-engineered foods (as defined) sold or distributed in or from Oregon. Defines "genetically engineered" to mean produced by biological changes to the molecular or cell biology of an organism by means not possible under natural conditions; definition excludes breeding, hybridization, tissue culture, certain other processes. Applies to all foods derived from, or prepared with, genetically-engineered material, regardless of whether that material is present in the final product. Creates additional labeling requirements for genetically-engineered foods whose composition or nutritional value is significantly altered and those resulting from gene transfers from other species to allow those with dietary restrictions to observe those dietary guidelines. Legislature to implement and enforce requirements. Other provisions.

ESTIMATE OF FINANCIAL IMPACT: The financial impact of this measure on state and local government expenditures cannot be determined because the Legislative Assembly must act to carry out this measure.

There is no impact on state or local revenues.
(The State Treasurer dissents from this estimate.)
