**CITY OF STANFIELD**

**30-37 A Measure to Enact a New City Charter For Stanfield**

QUESTION: Shall the City of Stanfield enact a new City Charter?

SUMMARY: The effect of this measure, if approved, shall be to enact a new City Charter for the City of Stanfield which will follow conditions and restrictions allowed and contained under state law. This Charter streamlines and simplifies the operation of City government and would provide for a consolidated and easily understood document to define and control City operations, including powers, organization, authority, conduct of elections, appointing and electing positions and personnel, ordinance adoption and management and public improvements. The new Charter will have the following major additions and changes:

Eliminating the requirement for the City Recorder to keep the City boundary description;

Allowing passage of ordinances without a full reading if copies are available to the public one week prior to the council meeting adopting the ordinance;

Formalizing City administrative authority regarding resolutions and providing quasi-judicial authority to pass orders;

Adding qualifications for candidates to elective offices;

Formalizing and defining appointive offices of City Manager and City Attorney; and

Requiring council authorization for payment to City officers and employees.
