STATE MEASURES

REFERRED TO THE PEOPLE BY
THE LEGISLATIVE ASSEMBLY

**77 AMENDS CONSTITUTION:
MAKES CERTAIN LOCAL
TAXING DISTRICTS' TEMPORARY
PROPERTY TAX AUTHORITY
PERMANENT**

RESULT OF "YES" VOTE: "Yes" vote changes portions of certain local districts' property tax authority from temporary to permanent.

RESULT OF "NO" VOTE: "No" vote retains current local districts' temporary and permanent property tax authority.

SUMMARY: Amends Constitution. Adjusts permanent limits on certain local taxing districts' property tax rates to include portions of temporary local option levy approved by voters for the 1997-1998 tax year. Adjustment limited to that portion of the local option levy that was approved in that district as a serial or one-year levy to replace an existing serial or one-year levy. Requires that district's temporary property tax levy authority be reduced by same amount as adjustment made to district's permanent property tax authority.

ESTIMATE OF FINANCIAL IMPACT: This measure affects both the permanent and local option tax rate limits only of Deschutes County, Linn County and the city of Sweet Home. In the first year, 2000-01, this measure will reduce the total authority for these three government units to impose operating taxes by a total of approximately \$824,581. This measure shifts a part of the temporary local option authority of these three units to permanent rate authority. It requires their total tax authority to be reduced as outlined in the 1997 property tax limitation Measure 50. Deschutes County's total tax authority is estimated to be reduced by \$289,415 in 2000-01. Their local option authority expires beginning the following year, 2001-02. Linn County's tax authority is estimated to be reduced by \$397,118 in 2000-01 and \$72,928 in 2001-02. Their tax authority would increase an estimated \$267,472 in 2002-03, depending upon the growth in property values in the county. The city of Sweet Home's tax authority will be reduced by an estimated \$138,076 in 2000-01, \$100,300 in 2001-02, and \$60,635 in 2002-03. Both Linn County's and the city of Sweet Home's local option authority expires beginning the following year, 2003-04.

In subsequent years, revenue estimates depend on whether local voters renew expiring levies. The level of local option tax authority that voters approve will also affect the total tax revenue effects from this measure. This measure does not affect a taxing district's ability to seek additional local option tax authority from local voters. The dollar amount raised from the new permanent tax rate authority established under this measure cannot be increased beyond the growth in assessed value. These estimates assume an assessed value growth of 5% based on historical trends.

There is no financial effect on state government revenue or expenditures.

**78 AMENDS CONSTITUTION:
LENGTHENS PERIOD FOR
VERIFYING SIGNATURES ON INITIA-
TIVE AND REFERENDUM PETITIONS**

RESULT OF "YES" VOTE: "Yes" vote lengthens period for verifying initiative, referendum petition signatures from 15 to 30 days.

RESULT OF "NO" VOTE: "No" vote retains current 15-day period for verifying signatures on initiative and referendum petitions.

SUMMARY: Amends Oregon Constitution. The constitution now requires the Secretary of State to determine whether an initiative or referendum petition contains the required number of qualified voters' signatures. The Secretary of State currently must do so within 15 days after the last day the petition may be filed. The measure would extend that period to 30 days after the last day the petition may be filed. The amendment becomes effective June 15, 2000, and applies to petitions filed on or after that date.

ESTIMATE OF FINANCIAL IMPACT: No financial effect on state or local government expenditures or revenues.

**79 AMENDS CONSTITUTION:
INCREASES SIGNATURES**

**REQUIRED TO PLACE INITIATIVE
AMENDING CONSTITUTION ON
BALLOT**

RESULT OF "YES" VOTE: "Yes" vote increases number of signatures required to place initiative to amend constitution on ballot.

RESULT OF "NO" VOTE: "No" vote rejects increasing signatures required to place initiative to amend constitution on ballot.

SUMMARY: Amends constitution. Currently, initiative to amend Oregon Constitution can be placed on the ballot by a petition signed by a number of qualified voters equal to 8 percent of the total number of votes cast for all candidates at last election for Governor. Measure increases number of signatures required to place initiative to amend constitution on ballot to 12 percent of total number of votes cast for all candidates at last election for Governor. Applies to initiative submitted for vote after November 2000 election.

ESTIMATE OF FINANCIAL IMPACT: No financial effect on state government expenditures or revenues.

Counties are estimated to incur an additional \$4,300, statewide, once every two years in additional signature verification costs.

**80 AMENDS CONSTITUTION:
AUTHORIZES USING FUEL
TAX, VEHICLE FEES FOR INCREASING
HIGHWAY POLICING**

RESULT OF "YES" VOTE: "Yes" vote authorizes using fuel tax, motor vehicle fees for increasing policing of highway system.

RESULT OF "NO" VOTE: "No" vote rejects allowing fuel tax, vehicle fee use for increasing policing of highway system.

SUMMARY: Amends Constitution. Currently constitution authorizes use of revenues from fuel tax and motor vehicle fees for: construction, reconstruction, improvement, repair, maintenance, operation, use of public highways, roads, streets, roadside rest areas; administration costs; highway bond retirement; certain parks and recreation costs. Measure authorizes additional use of such revenues to increase policing of public highways, roads, streets, roadside rest areas by sworn law enforcement officers. Requires that such use increase police agency budgets to provide service levels not previously authorized by budgets on measure's effective date.

ESTIMATE OF FINANCIAL IMPACT: This measure, alone, has no financial effect on state or local government expenditures or revenues. It allows the legislature to spend Highway Fund monies on additional highway patrol services. Local governments would also be authorized to spend road funds on additional patrol duties.

**81 AMENDS CONSTITUTION:
ALLOWS LEGISLATURE TO
LIMIT RECOVERY OF DAMAGES IN
CIVIL ACTIONS**

RESULT OF "YES" VOTE: "Yes" vote adds constitutional provision allowing legislature to limit recovery of damages in civil actions.

RESULT OF "NO" VOTE: "No" vote retains restrictions on legislature's authority to limit recovery of damages in civil actions.

SUMMARY: Amends Constitution. Under the Oregon Constitution, the right to jury trial restricts the legislature's authority to limit recovery of some kinds of damages in some civil actions. This measure overrides that restriction by adding a new constitutional provision expressly allowing the legislature to impose limits on damages that may be recovered in any civil action.

ESTIMATE OF FINANCIAL IMPACT: This measure, alone, has no financial effect on state or local government expenditures or revenues. It allows the legislature to limit recovery of damages in civil actions.

REFERENDUM ORDER BY
PETITION OF THE PEOPLE

**82 REPEALS TRUCK WEIGHT-
MILE TAX; ESTABLISHES
AND INCREASES FUEL TAXES**

RESULT OF "YES" VOTE: "Yes" vote repeals truck weight-mile tax; establishes diesel tax; increases gas tax, registration fees.

RESULT OF "NO" VOTE: "No" vote retains weight-mile highway tax on trucks; rejects increasing gas tax, registration fees.

SUMMARY: Currently, motor carriers pay highway tax based on truck weight, miles driven. Measure repeals weight-mile tax. Establishes diesel fuel tax (29 cents per gallon). Increases gasoline tax by five cents to diesel tax rate. Raises vehicle registration fees. Additional revenue to be used primarily for road and bridge modernization, maintenance, and preservation. Requires licenses for diesel fuel suppliers, distributors, others. Requires recordkeeping, monthly tax reports by licensees. Authorizes transportation department to enforce requirements. Provides remedies for violations, including fines, penalties, criminal sanctions. Other provisions.

ESTIMATE OF FINANCIAL IMPACT: This measure would increase gas tax revenues and expenditures an average of \$140 million per year over five years. Of that increase, \$39 million per year is allocated to counties, \$22.5 million per year to cities, and \$78.5 million per year to the state.

The measure also authorizes the sale of \$600 million in bonds. Debt repayment, including interest, on those bonds is estimated to be \$47 million per year for 15 years. The debt repayment, including interest, is included in the \$78.5 million estimate of state expenditure stated above.

ONLY THE CAPTION AND THE QUESTION WILL APPEAR ON YOUR OFFICIAL BALLOT

SOUTHWESTERN OREGON COMMUNITY COLLEGE DISTRICT

MEASURE # 6-66

**Southwestern Oregon Community College Capital Construction General
Obligation Bond Authorization**

Question: Shall the District be authorized to contract a general obligation bonded indebtedness in an amount not to exceed \$15,000,000? If the bonds are approved, they will be payable from taxes on property or property ownership that are not subject to the limits of Section 11 and 11b of Article XI of the Oregon Constitution.

Summary: This measure may be passed only at an election with at least a 50 percent voter turnout. This measure authorizes the District to issue general obligation bonds of not to exceed \$15,000,000, to finance expansion of community learning centers throughout the District; development of a new technology center; construction of new facilities in Curry County; construction of new science labs on the main campus; expansion of the existing main campus library and installation of infrastructure to support online research and reference systems; enhancement of the University Center; acquisition of real property; renovation and construction of additional classrooms on the college's main campus; furnish and equip new facilities; make related improvements and to pay all costs incidental thereto. Bonds would mature over a period of 20 years.

CURRY COUNTY

MEASURE #08/30

Two Year Local Option Tax For Fairgrounds Repair

Question: Shall Curry County impose \$349,600 each year for two years to renovate deteriorating fairground facilities beginning in 2000-2001? This measure may cause property taxes to increase more than three percent.

Summary: This measure may be passed only at an election with at least 50 percent voter turnout. In the Fall of 1999 the Curry County Fair Board hired an architect to assess the repair and maintenance work needed for Curry County fairground facilities. The architect made a report which indicates a significant amount of work is needed to renovate fairground facilities. The report states that the majority of this work involves safety issues or situations where disrepair may lead to more extensive damage. This measure would provide funding for the recommended repairs. Taxes needed for two years for the repairs total \$699,200 which would be imposed in equal amounts of \$349,600 for each year. Some of the buildings which would be repaired include the Livestock Building, Docia Sweet Hall, the Floral Building, and the Arena Building. The monies requested would be for repair and maintenance only and to bring the facilities up to good usable condition. Absolutely no salaries or staff positions would be funded by the taxes. It is estimated that the proposed tax would result in a rate of .2318 per thousand of assessed value in the first year. The estimated tax cost for this measure is an ESTIMATE ONLY based on the best information available from the County Assessor at the time of the estimate.

CURRY HEALTH DISTRICT

MEASURE #08/31

Authorizes Health District building Assisted
Living Facility without property taxes

Question: Shall Curry Health District build an Assisted Living Facility by issuing revenue bonds secured solely by facility and District Revenue?

Summary: Curry Health District and its 18 member citizens Assisted Living Facility (ALF) Advisory Committee recommends that a 43 unit Assisted Living Facility be built. The facility would be financed through USDA's purchase of the District's revenue bonds in an amount not to exceed \$4,000,000 and a maturity of not more than 30 years. These bonds would be 100% secured by the Facility and District revenues, excepting those for operations. USDA states that any financial obligations under these bonds cannot be transferred to District property taxes. If the revenue bonds are authorized the ALF may be built in Wedderburn, deemed the best currently available site of 12 reviewed by the District and USDA. The ALF would be built for a predetermined price. The District would enter into a long-term performance contract with a professional management firm, whose accrued fee would be payable out of profits from the facility after monthly loan repayments.

MEASURE #08/29

Mountain Drive Special Road District Formation and Permanent Tax Rate

Question: Shall Mountain Drive Special Road District be formed and permanent tax rate not to exceed \$1.47 per thousand be established?

Summary: This measure may be passed only at an election with at least a 50 percent voter turnout. A petition to form the Mountain Drive Special Road District has been filed by local residents. The petition has been approved by the Board of Curry County Commissioners. An election is now required to form the proposed district and set a permanent tax rate. A map describing the boundaries of the proposed district is inserted with the ballot.

This measure proposes a permanent tax rate not to exceed \$1.47 per thousand beginning fiscal year 2000-2001. It is estimated to raise \$14,708. in the first tax year.
