Amends Constitution: Governor may declare “catastrophic disaster” (defined); requires legislative session; authorizes suspending specified constitutional spending restrictions

Result of “Yes” Vote

“Yes” vote grants Governor constitutional authority to declare “catastrophic disaster” (defined); requires legislative session; legislature may suspend specified constitutional spending restrictions to aid response, recovery.

Result of “No” Vote

“No” vote retains Governor’s statutory authority to declare state of emergency; retains constitutional spending restrictions and constitutional restrictions on legislative authority without exception for emergency.

Summary

Amends Constitution. Currently, Governor has statutory, but not constitutional, authority to declare state of emergency and direct response to emergency. Measure grants Governor constitutional authority to declare and respond to natural or human-caused “catastrophic disaster” (defined). Authorizes Governor to redirect previously allocated General Fund and lottery monies to disaster response. Requires legislative session (under emergency conditions, if necessary) to enact implementing legislation; legislation may include temporarily suspending specified constitutional spending restrictions. Terminates Governor’s disaster spending authority upon enactment of law specifying purposes for which funds may be used. Limits disaster authority of Governor and legislature to 30 days unless legislature acts to shorten/lengthen period; such legislation may include any provision legislature deems necessary to provide “orderly transition” (undefined) to normal conditions. Other provisions.

Estimate of Financial Impact

Referral 401 allows for government action in the event of a catastrophic disaster. It grants the Governor temporary authority to redirect certain state monies from legislatively-approved purposes to disaster response. It requires the Governor to convene the legislature unless the Legislative Assembly is already in session or scheduled to convene within 30 days.

The financial effect of the measure is indeterminate.

Amends Constitution: Changes constitutional language describing governmental system of separation of powers; makes grammatical and spelling changes

Result of “Yes” Vote

“Yes” vote changes constitutional language describing separation of powers to refer to three “branches” (instead of three “departments”) of government; makes other grammatical, spelling changes.

Result of “No” Vote

“No” vote retains existing constitutional language describing separation of powers between three “departments” of government (rather than three “branches” of government); retains misspelled, other language.

Summary

Amends constitution. Measure makes nonsubstantive changes to wording now contained in the Oregon constitution. Current state constitutional language describes the governmental separation of powers to be divided into three separate “departments”: Legislative, Executive (including Administrative), and Judicial. Measure revises this constitutional phrasing by changing it to refer to three separate “branches” of government, which conforms to more contemporary, commonly-used designations for these separate divisions of government. Measure changes the description of the two houses of the Legislature to two “chambers” of the Legislature (rather than two “branches” of the Legislature), which also reflects more modern designations for them. Measure additionally modernizes spelling and makes grammatical changes to replace existing references to the Secretary of State as “he,” “him,” and “his” with gender-neutral wording.

Phases out existing inheritance taxes on large estates, and all taxes on intra-family property transfers

Result of “Yes” Vote

“Yes” vote phases out existing inheritance/estate taxes on large estates, death-related property transfers, and taxes on certain intra-family property transfers; reduces state revenue.

Result of “No” Vote

“No” vote retains existing estate/inheritance taxes on estates with value of at least \$1 million; tax on all income-producing intra-family property transfers.

Summary

Current state law imposes one-time tax on estate of person dying on/after January 1, 2012, if estate’s gross value—determined by federal law as of December 31, 2010—is at least \$1,000,000. Current law taxes income-producing property sales, regardless of parties’ relationship. Measure incrementally phases out estate/inheritance tax, tax on property transfers between “family members” (defined), and tax on property transferred in connection with person’s death; prohibits imposition of such taxes on property of person dying on/after January 1, 2016. Allows state to cooperate with other states and federal government in administering those entities’ estate/inheritance taxes; permits fees on probate and other transactions that may occur following person’s death. Measure reduces state revenues; provides no replacement. Other provisions.

Amends Constitution: Allocates corporate income/excise tax "kicker" refund to additionally fund K through 12 public education

Result of "Yes" Vote

"Yes" vote allocates the corporate income and excise tax "kicker" refund to the General Fund to provide additional funding for K through 12 public education.

Result of "No" Vote

"No" vote retains existing corporate income and excise tax "kicker" that requires refund to corporations when revenue exceeds estimated collections by two percent or more.

Summary

Amends constitution. Before each biennium, the governor must prepare an estimate of revenues expected to be received by the General Fund for the next biennium. The General Fund is the primary funding source for schools, prisons, social services other state-funded programs/services. Current law requires an automatic "kicker" refund to taxpayers of corporate income and excise tax revenue that exceeds estimated collections by two percent or more. Measure allocates the corporate income and excise tax "kicker" refund to the General Fund to provide additional funding for K through 12 public education. Measure does not change the constitutional personal income tax "kicker" provision that requires a refund to individual taxpayers when personal income tax revenue exceeds estimated revenue by two percent or more. Other provisions.
